Warren Buffett once said "Price is what you pay. Value is what you get." The Paragon Network firmly believes in this statement and that is why we have been in business for over 10 years. With 71 quality FBOs located in 20 countries, The Paragon Network provides competitive pricing and quality services to almost anywhere in the world. Customers know that regardless of where they land, we will exceed their expectations with our excellent customer service and high safety standards. Value is built into The Paragon Network.

Safety

Uncompromising safety is the most important element in aviation. Each one of our members is NATA Safety 1st Certified or has completed an equivalent program.

Quality

We can guarantee a first-class operation through comprehensive audits and core standards that each FBO is required to meet before joining the group.

Service

Award-winning service is undeniable in the Paragon Network. Each member location has been rated amongst the best FBOs in the world.

Value

Our network of FBO locations guarantee a quality facility and outstanding service at a competitive price.

Reliability

Our FBOs are the most consistent and dependable operators in the world.

Fontainebleau Aviation Looks Forward to Your Arrival

As South Florida transitions to a new normal and comes back to life, we enjoy seeing our guests return. Upon arrival we will welcome all those who choose to Fly Famously beneath our vast canopy while team members will be in position to assist as they always have been. Our hours of operation remain 24/7, while customs is open 0900-0000. We ask that you communicate with us prior to arrival so that we may prepare services requested. Communication may be sent via phone/text to 305.685.4646 or email us at KOPF@ParagonFBO.com.

Thank you for your commitment to us, we look forward to your next visit!

Featured Strategic Partner: Skyplan

Skyplan's renowned flight-planning software, Aurora, offers your flight department immediate access to the best in web-based global flight planning, weather services, up-link, ATC-filing, and integrated runway analysis. Take advantage of Skyplan's global service network for contract fuel, slots, overflight and landing clearances, ground handling, concierge services, custom arrangement facilities, and private jet charters. Depend on Skyplan to be your global provider of comprehensive flight-operation and trip-support services.
