Top 5 Cities to Visit This May

The transition from Spring to Summer offers beautiful weather in cities across the world. Check out these top 5 spectacular destinations!

Providence, RI

Use [Providence Jet Center](#) (KOQU)

Love to shop? Head Downtown to Westminster St, an Etsy-like emporium of stores peddling tons of locally made finds. Or, if you plan ahead, reserve a spot in one of Johnson & Wales' three-hour cooking courses - you'll learn how to prepare everything from pastries to Indian cuisine. And finally, do not miss Providence's WaterFire, when they set the river ablaze.

Seattle, WA

Use [Clay Lacy Aviation](#) (KBF1)

Don't leave without spending some time in the city's parks. The Pike Place Market is going to be your default daytime activity, but the Washington Park Arboretum has the largest Japanese garden and is spectacular in the spring. Discovery Park has jagged cliffs, a lighthouse, and views of Puget Sound and Mount Rainier.

Miami, FL

Use [Fontainebleau Aviation](#) (KOPF)

Spend as much time as you can on the beach, or at the very least going out on the water. Come to Miami to enjoy some of the best food, nightlife and beaches in America. See some of the best street art in the world in Wynwood, feel like you're in another country in Little Havana, and get a big-city experience among the steel-and-glass towers of Brickell.

world is well-founded: You'll find a dozen barbecue places that out-smoke most other major cities, and the wealth of local musical talent on any given night put even huge cities like New York or LA to shame. Visit Barton Springs for a dip in crystal clear water.

Memphis, TN

Use [Tunica Air Center](#)

(KUTA)

This city is still to some killer food and a vibrant blues music scene. Additionally, there's Graceland (Elvis's home) for fans of the King, a big waterfront for walking, and the phenomenal, detailed, and moving Museum of Civil Rights (it's huge, so don't rush it!). To use a cliché, it's a hidden gem!

PARAGON NETWORK CUSTOMER REVIEWS

★★★★★ Outstanding service!!! Such a personal touch, these guys really went out of their way to take care of the crew and passengers. Even gave 6 passengers a ride to their hotel about 6 miles away!!! I highly recommend this FBO for FLL.

- Brent S. on National Jets (KFLL)

★★★★★ Went to Platinum about a week ago. Beautiful large ramp with new looking concrete. Lots of space. Service was great. Didn't realize it at the time, but when reviewing my receipt, they gave me a considerable first time discount on the already reasonable fuel price. Crew car was luxury. Not open 24 hours but pretty long hours into the evening. Nice people, good restaurants nearby. The closest, Lulu's (Jimmy Buffet's sister) is about 1 mile. Can't say enough good things about how we were treated.

- Skip D. on Platinum Air Center (KJKA)

★★★★★ I recently parked overnight at Ross in my Mooney.

Literally red carpet service on par with the previous tenant, AirFlite. I recognized some of the same employees, as well. Contrary to an earlier post, I was only charged \$15/night parking and the ramp fee was waived with my 32 gal purchase.

- Jim M. on Ross Aviation (KLGB)

★★★★★ Came into KTME for a quick turn. Fuel and GPU were supplied promptly and Olivia at Henriksen was super personable/friendly. Beautiful facility and amazing pilot lounge. I'd highly recommend KTME/Henriksen if you're visiting this corner of Houston.

- Mark P. on Henrksen Jet Center (KTME)

★★★★★ Platinum provided prompt, economical and very family friendly service to my family on our visit in late March. They even provided my 2 year old granddaughter with a colorful beach ball and pail, plus snacks and drinks. We felt most welcome and will definitely be back.

- Steve W. on Platinum Air Center (KJKA)

★★★★★ Rarely do I have such an excellent FBO experience that I'm compelled to leave a review on AirNav. Nevertheless, my recent quick turn at Henriksen was fantastic and I thought I'd drop a line. From the impressive architecture and ample ramp space, to the impeccably clean reception area and mouth-watering chocolate chip cookies, this FBO has all the necessary amenities and more. However, it was the charming and charismatic Olivia who made my night. As I was waiting for pax, we chatted and shared personal stories. Olivia absolutely radiates sincerity, and she demonstrates an incredible amount of care and dedication that you don't typically see with CSR's. It was such a pleasure to cross paths! Altogether, it was a great stop that helped our operation run seamlessly. Hopefully we will be back soon.

- Kayla G. on Henriksen Jet Center (KTME)

★★★★★ We flew into NAS for a long weekend. I called in advance and was asked to provide passport details to facilitate entry procedures. A marshaller guided us right in front of the Odyssey terminal. An Odyssey rep met us as we opened the aircraft door and took us to customs. All forms had been pre-filled. They had noticed that it was my wife's birthday and they had a card for her... We were out of there in 10 minutes. Same excellent service on the way out. Most of the charges were fees (landing fees, immigration fees etc.). Overall, Odyssey offered great value. We will be back.
