The Paragon Network™ Gives Back
'Tis the Season to Give!

The holiday season is the most wonderful time of year for many, but not for some. We all tend to take a lot things for granted. This is why it is so important to the Paragon Network™ to give back, not only during the holiday season, but year-round.

Breast Cancer Awareness Month

The Paragon Network™ has donated thousands of dollars through their annual Breast Cancer Awareness campaign held throughout the month of October.

During the month of October, participating members of the Paragon Network™ handed out *"Fly for a Cure"* awareness bracelets, coffee mugs and pens. Many of them donated a portion of their fuel or service revenue to organizations supporting the prevention and treatment of breast cancer. Paragon Aviation Group® also made a five dollar donation for every FBO customer satisfaction survey completed during the month of October. Paragon Aviation Group® will continue to have their "Fly for a Cure" campaign every year in October, to support Breast Cancer Awareness month and to continue raising awareness for men and women everywhere.

In addition to the *"Fly for a Cure"* campaign, ExecuJet's #WeFlyPink campaign throughout the month of

October raised awareness for Breast Cancer at all 27 of their FBOs around the world.

Cleared to Land on the Green

Business Jet Center in Dallas, TX held their 6th Annual Charity Golf Tournament on November 9th. All proceeds were donated to Folds of Honor and Patriot Paws Service Dogs. Paragon Aviation Group was a proud sponsor of this charitable event.

Paragon Leadership Meeting

In October 2018, a Paragon Network Bi-Annual Leadership Meeting, coordinated for executive management and FBO owners, was held at Fargo Jet Center (KFAR). Their award-winning service and first-class facility made this the perfect host location. Attendees participated in a team-building event in which thousands of canned goods were donated to The Great Plains Food Bank.

13th Annual Aviation Education Expo

ProJet Aviation in Washington, D.C. hosted their 13th Annual Aviation Education and Career Expo on October 26th. The event catered to high school and college students looking to get into the aviation industry. Over $380,000 in scholarships were awarded. Paragon Aviation Group was honored to participate in this event.

Kids Fly Free at Constant Aviation

Constant Aviation in Sanford, FL hosts a “Kids Fly Free” event multiple times a year as a way to introduce aviation to our youth. FAA Certified Pilots give children between the ages of 8 - 17 FREE plane rides at Sanford International Airport.

SFBAA Charity Golf Classic

National Jets and Odyssey Aviation sponsored the SFBAA Charity Golf Classic on November 6th. All proceeds benefited the SFBAA Scholarship fund, Angel Flight, and the Make-A-Wish Foundation.

2018 Hero World Challenge

Odyssey Aviation Bahamas was an official sponsor of the 2018 Hero World Challenge in Albany, Bahamas from November 26th - December 2nd. This event has raised over $26 million for youth charities since it began in 2014.

Paragon Network Customer Reviews

★★★★★ Very friendly and helpful staff. They treated us single engine piston folks just like the turbines. As we got out of our plane the rental car was pulling up to us. A line guy even helped fold our planes cover. Jody and the CSR team were very helpful even on big UT football weekend.
- Allen M. on Henriksen Jet Center (KEDC)

★★★★★ Hello all, my name is Andrew and I've been working with aerial survey companies for just over 2 years and haven't had an experience memorable enough to comment on, but Fargo Jet Center had the hospitality and welcome feel to change that. I was greeted by the very well spoken Dawndi at the front desk upon check in and assisted by the extremely enthusiastic Ashley. The feeling entering the FBO was nothing short of "homey" with a fireplace and all sorts of snacks for crew in the lounging area. The service at Fargo Jet Center exceeded my expectations and I have visited the FBO many times since for fuel stops and great restaurants, which were highly recommended. I'd like to thank the Fargo Jet Center team for the services provided.
- Allen H. on Fargo Jet Center (KFAR)

★★★★★ Spent two days visiting in Austin on Nov 2-3. Henriksen treated us like one of the big guys - rent car driven out to our Grumman Tiger, line staff helped load bags and on our way to town in minutes. Same great service on departure. Never been disappointed at Henriksen when in Austin.
- Barry H. on Henriksen Jet Center (KEDC)

★★★★★ We came up from KFMY for a family fun day at the parks last Friday. We had a rental from Enterprise that was to be delivered before our arrival. A vehicle was delivered, however, when it arrived it was "not up to Odyssey's standards" and they sent it back for a different one! I was very impressed that a lowly C172 was given the same level of service as someone burning Jet-A. Great location, easy in and out, reasonable fees, excellent customer service and friendly and efficient line staff!
- Nathaniel H. on Odyssey Aviation (KISM)

★★★★★ Flown in to KEDC 4 or 5 times. Henriksen has always been very accommodating and friendly - even though I am in my Cherokee 180! The service and amenities are superb! Keep it up!
- Darren G. on Henriksen Jet Center (KEDC)

★★★★★ Flown in to KEDC 4 or 5 times. Henriksen has always been very accommodating and friendly - even though I am in my Cherokee 180! The service and amenities are superb! Keep it up!
- Ryan S. on Premier Jet Center (KFCM)

★★★★★ Excellent FBO, will be our first choice for future visits to APA.
- Darin W. on XJet (KAPA)

★★★★★ Mahnaz, Jackie and Claudia are so friendly and great at their jobs!
- James F. on XJet (KAPA)

★★★★★ We make frequent visits to Fargo Jet Center. We are always welcomed and given friendly service.
- Travis E. on Fargo Jet Center (KFAR)

★★★★★ You have one of the best quick turn teams out there. Carline made an extra effort to have the receipt ready before we closed the door. Fantastic service!
- Quinten K. on Premier Jet Center (KFCM)

★★★★★ Great job, always park with you at KFCM.

- Jason E. on Premier Jet Center (KFCM)

★★★★★ There is a simple reason this FBO is the top choice on the field. The team both rampside and behind the desk do an extraordinary job, go above and beyond and exceed the requests of crew and passengers. Its no surprise they are being a subsidiary of Fargo Jet Center. Will ALWAY choose Premier Jet Center and have spread the word since my first stop in.
- Andrew M. on Premier Jet Center (KFCM)
