

Paragon Aviation Group Announces Prestigious Member Awards

Paragon Aviation Group announced their annual recipients for their 2020 Network Member Awards including the FBO Member of the Year, FBO Manager of the Year, and the Event of Excellence Award.

Along with fellow members voting for this FBO Member of the Year, this year over 1,000 Paragon Preferred flight departments had the opportunity to cast their vote. The 2020 FBO Member of the Year was awarded to the Signature Flight Support at DuPage Airport (KDPA) in West Chicago, IL. DuPage's long-time fuel supplier, Phillips 66, salened a celebratory lunch as well as a commemorative $3,000 donation in honor of DuPage Flight Center's dedication to safety and a loyal non-profit transforming the lives of at-risk youth through aviation education and career path opportunities.

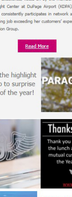

The FBO Manager of the Year award is voted on by the Paragon Aviation Group corporate team. This year's recipient was Jason Zimmermann, President of Haven by Hatfield (KFSY) in Hartford, KS. "Jason has made a real difference in our customer's flight experience and in our company's well-being with his fellow members," said Megan Barnes, President of Paragon Aviation Group.

The winner of the 2020 Award of Excellence, voted on by the members, went to Kristine Kiely, Customer Service Representative at Heritage Flight Center at Orlando Executive Airport (KORL). "There is no question that members voted for Kris since she consistently participates in network activities, shares best practices with other CSRs, and does an outstanding job of providing "above and beyond" expectations," commented Scott Aiherd, Director of Sales for Paragon Aviation Group.

Safe Travel Hawaii Program

On October 15th, the state of Hawaii welcomed passengers from the U.S. mainland. Passengers have begun boarding the Alaska Airlines flights and those participating in the Safe Travel Hawaii Digital program. A pre-flight test is required for users on account that register here in order to upload your trip details and COVID-19 test results. Once the test is verified, you will receive the 14-day quarantine in Honolulu. Since the counties on Kauai, Maui and Hawaii will require a second test after the first passenger arrives.

In Honolulu, representatives from the State of Hawaii and COVID-19 task force will meet with travelers at the airport and conduct a temperature check for those not participating in the program. They will also be checking to make sure that passengers have uploaded their negative test results and give approval to bypass quarantine.

Anyone deciding to participate in the Safe Travel Hawaii program will be subject to the 14-day quarantine and testing mandates once an essential State of Hawaii COVID-19 exemption prior to arrival.

Paragon Aviation Group's "Fly for a Cure" Campaign Exceeds Donation Goal

Paragon Aviation Group's annual *"Fly for a Cure"* campaign exceeded their donation goal of $1,000 to the National Breast Cancer Foundation, Inc. by more than 41%, with a total of $1,475. This campaign has been a way to raise awareness and money during October's National Breast Cancer Awareness month with the help of their loyal members.

Theodore visited over 60 FBOs during the month during their Northern and Mid-Western Tour (KTKI) in Houston, TX on October 1st. He traveled coast-to-coast from New York to California with notable stops at Rose Aviation (KHPN) in White Plains, NY, Million Air (KVNY) in Van Nuys, CA. Theodore even enjoyed a little reticence with a visit to Odyssey Aviation (MYNN) in Nassau, Bahamas.

Paragon would like to thank everyone in the aviation community who helped Theodore along his journey and helped him "Fly for a Cure." For more information or to make a donation, visit www.flyforacure.net or www.nationalbreastcancer.org/fly-for-a-cure.
