ExecuJet Opens New FBO in the Seychelles

ExecuJet, part of the Luxaviation Group, is announcing the opening of a new FBO facility in the Seychelles.

ExecuJet's Seychelles FBO, to be officially opened on August 2nd, 2018, is located at Seychelles International Airport on the island of Mahé and will be operated by ExecuJet in partnership with Euro Aviation Limited.

The new facility will be available to all categories of general aviation and will offer full FBO and ground handling services including aircraft parking, fuel coordination, VIP passenger and crew support services, flight planning, and flight permit assistance and coordination. Discreet and secure airside transfers will be provided to and from the aircraft at the domestic and international terminals.

Gavin Kiggen, Vice President, ExecuJet Africa, said: "Our new FBO in the Seychelles will provide all ExecuJet VIP clients with direct access to one of the most beautiful locations in the world. Customers will experience our seamless VIP services in a new and exciting environment. Our team of aviation experts is well-suited to accommodate all requests and

requirements and we look forward to showcasing our services in the Seychelles."

Paragon Aviation Group Holds 3rd Annual SUCCESS Meeting in Austin, TX

Paragon Aviation Group hosted their 3rd annual SUCCESS event at Henriksen Jet Center (KEDC) in Austin, TX from July 22nd - 24th. The workshop includes a site review with feedback to the GM, training on network solutions, shared best practices, breakout sessions, a guest speaker, and a team building activity. In addition, attendees vote for the MVP of the event, which went to Kris Klotz from DuPage Flight Center (KDPA).

NBAA Regional in San Jose, CA September 6th, 2018

Paragon Aviation Group is excited to be attending the 2018 NBAA Regional Forum in San Jose, CA on September 6th, 2018! The forum brings together FBO personnel, current and prospective business aircraft owners, operators, manufacturers, and customers for a one-day event.

Be sure to visit our exhibiting members at the show!

Attendees were asked to take a quick survey at the end of the meeting and the response was amazing! Valerie Boes from Ross Aviation (KLGB) stated, "Thank you for everything. Very enjoyable and a great group that came to this meeting. The FBO evaluation was my favorite part and learned the most. I will be implementing multiple ideas from this meeting."

Congratulations to Kyle Quinn, General Manager at XJet (KAPA)!

Kyle Quinn was chosen as one of Airport Business Magazine's Top 40 Under 40! Winners are nominated by aviation professionals and then selected by the NBAA Young Professionals Council. Winners will be featured in NBAA's Business Aviation Insider Magazine and acknowledged at the 2018 NBAA Business Aviation Convention & Exhibition.

Keep an eye out for the magazine to learn more about Kyle and his dedication to the aviation industry.

ProJet Aviation and Leesburg Executive Airport (KJYO) Launches First Virtual Remote Tower in the United States

Defense and security company Saab, the Virginia SATSLab, Inc. (VSATS) and the Leesburg Executive Airport have partnered to demonstrate and evaluate Saab remote tower technologies at Leesburg Executive Airport. This partnership will demonstrate and evaluate the remote tower system for use at non-towered airports. The Federal Aviation Administration and the Virginia Department of Aviation are advisory partners for the project.

Paragon Network Customer Reviews

★★★★★ A great FBO!! Very professional and service oriented! Thank you all so much!!
- Brandon M. on Business Jet Center (KDAL)

★★★★★ Odyssey Aviation is a friendly and efficiently run FBO. I make frequent Central Florida stops and this is my FBO of choice. Line service is always there to park you quickly and will have your rental car waiting there on the ramp. A cold bottle of water is provided by the line service upon arrival, always welcomed in the Florida warmth. Get to know line service and the customer service representatives and you will be back. Quick check in and check out but they also have all the time you want as well.
- Dan B. on Odyssey Aviation Kissimmee (KISM)

★★★★★ Odyssey made my car and hotel reservations and met us at the airplane with the car and cold water. The line guys were great and office personnel were friendly and professional. This will be our new FBO anytime we're in Kissimmee.
- Chip G. on Odyssey Aviation Kissimmee (KISM)

★★★★★ Stopped in for a few days to enjoy the Barbershop Harmony Society international competition. This is a nice FBO with very helpful and professional line and CSR staff. Fair pricing, too. We'll be back!
- Gordon F. on Odyssey Aviation Kissimmee (KISM)

★★★★★ Our second time here, always good service. Hanger available, not cheap, but better than hail! Rented car both times good experiences.
- Robert B. on Silverhawk Aviation (KLNK)

★★★★★ Landed at KPSM to attend NHRA event at New England Dragway. Was planning on getting an Uber to get to track. Was offered a crew car even though we were going to be gone for 4 plus hours. Very nice crew car and great people on the line and behind desk. Everyone should head to PSM. Also look into their Lobstah Run.
- Sean F. on Port City Air (KPSM)

★★★★★ Landed for one overnight to visit my friend. Fuel is very reasonable and the FBO folks are great. No overnight fee, clean facilities, and very friendly. Went out of their way to find us a loaner headset. Will be returning.
- J. Homsi on Port City Air (KPSM)

★★★★★ We chose Odyssey for our first GA flight out to the Bahamas. They were top notch. The staff was very helpful and accommodating, even coming in early for our early morning departure. They made Customs extremely easy. We will definitely be using them when we return.
- Caitlyn F. on Odyssey Aviation Exuma (MYEF)

The Paragon Network™ is a distinguished membership of elite FBO's and international handling agents that provide world-class service to general aviation travelers around the globe. Paragon Aviation Group® performs a comprehensive audit of the facilities and service offered to ensure the quality of the member base before any FBO joins The Paragon Network™.
