The Paragon Network donated over \$10,000 to breast cancer foundations through their "Think Pink" Breast Cancer Awareness campaign in October.

During the month of October, participating members of the Paragon Network handed out "Think Pink" awareness bracelets and many donated a portion of their fuel or service revenue to organizations supporting the prevention and treatment of breast cancer. Paragon Aviation Group also made a donation for every FBO survey completed during the month of October. The donations made to the various groups totaled over \$10,000. Top contributors included Odyssey Aviation Bahamas, Tampa International Jet Center, Hill Aircraft, and National Jets. [Learn more.](#)

Safety

Uncompromising safety is the most important ingredient in aviation today. Each one of our members are NATA Safety First Certified or has completed an equivalent program.

It was great seeing everyone at NBAA 2015 in Las Vegas! The show was a huge success and we look forward to doing it again next year. We've put together a slideshow of pictures from the show on our website. [Click here](#) to check it out!

National Jets Owners Support Ronald McDonald House Charity Event

The Ronald McDonald House Charities of South Florida is holding their 12th Annual "Home for the Holidays and Lighting Ceremony" event on December 5th from 6pm - 9pm in Fort Lauderdale. National Jets is sponsoring the event for the 6th year in a row. National Jets owners, Sam and Wendy Robbin, are avid supporters and have been on the hosting committee for the last 6 years.

The night will feature house tours, raffle and silent auction, live entertainment and DJ, delicious food from local restaurants, and a visit from Santa and Ronald McDonald. A lighting ceremony of the building will also take place at 7pm. [Click here](#) to purchase tickets.

Funding mostly comes from donations to keep these houses open and allows families to stay at such a low cost so parents can concentrate on their children receiving treatment and not worry about how they will pay for each night's stay. We hope to have your family join ours at this fantastic event!

PARAGON NETWORK CUSTOMER REVIEWS

★★★★★

From Courtland Cranston on Henriksen Jet Center (KEDC)

Premier Jet Center went above and beyond to give us and our passengers a great experience at Flying Cloud. The employees always smile and were a great help to us in planning our trip. We plan to use them again in the future. Great FBO!

★★★★★

From Karl Hoffman on Premier Jet Center (KFCM)

Great FBO, Fantastic line and customer service. Fuel prices were very competitive. Car ready, hotel booked, clean operation.

★★★★★

From Marty Brown on Odyssey Aviation (MYNN)

By far the best service I have every had, in a country that is not know for speed and service they are remarkable.

★★★★★

From Ron Larson on Premier Jet Center (KFCM)

Premier Jet has outstanding line staff and the girls at the desk were very helpful. Fuel price was also below the competition. I'll come in again when I'm in the area.

★★★★★

From Mark Antoine on Texas Jet (KFTW)

This FBO continues to treat me like gold. Flew in this time in my personal single-engine piston and got the red carpet and same treatment I get when I fly a jet in. Fuel is pricey, but you get outstanding service to go with it.

★★★★★

From James Woods on StarPort (KSFB)

The customer service was excellent. Scott Lisk was working the line that night. He was very helpful and was hustling to get it done. Appreciate the hard work!

★★★★★

From Jason Andrews on Texas Jet (KFTW)

Texas Jet always ranks as one of the top FBO's in the nation! It's easy to see why when you visit this place. Top notch service with a smile and they don't nickle and dime you. Line guys are always on the ball and our SUV was at the bottom of the stairs as promised! They earn my vote EVERY YEAR! You guys rock! Thank you very much! (Merlin crew) ;-)
