PARAGON NETWORK CUSTOMER REVIEWS

From Guilherme S. on Ideal Aviation (KCPS)

Excellent staff, both at the front desk and line. Superb service, no stress, easy, plane parked at the doorstep of the FBO, which I really appreciated given the rainy day. I really enjoyed Ideal.

From Mark B. on Fargo Jet Center (KFAR)

Yet another great experience at Fargo Jet Center. Given all the oil-burners on the ramp I would have expected less attention for my humble light piston-twin. Not so. They are very accommodating from the line guys to the counter staff. A well run FBO and a great example of mid-west hospitality. Thanks again.

From Bruce B. on Fargo Jet Center (KFAR)

A wonderfully friendly staff and beautiful lobby. ND hospitality for sure. Treated my 46' Stinson like I was a biz jet. The few cents more for fuel is worth the service you get here. Even pre-heated the plane.

From Joe G. on Texas Jet (KFTW)

Texas Jet knows how to take care of customers. The people make the difference. The front desk and line personnel are professionals and it's obvious they all care about doing a good job. Go Rentals also provides superior service. If we need a rent car, these guys are always my first

choice. I know I don't have to worry about the car arrangements being right when these guys are on the job.

From Ian T. on Hill Aircraft (KFTY)

Flew a Beechjet in today. It is my first time at Hill Aircraft. What a nice and efficient staff! Laura set my rental cars up and dealt with me at the front desk. She is as good as they come. The fuelers were very careful with our multi-point fueling requirement and our internal lavatory. I'm sold and will be back. They have a great facility and wonderful people. Thank you Hill Aircraft! No wonder you were voted in by CAA!

From Ed D. on Platinum Air Center (KJKA)

I parked my Mooney at the Platinum FBO for three nights starting 11/28/16. I fly my Mooney for pleasure and a Citation Jet professionally about 600 hours/year. That's a lot of FBO stops! I rate this Platinum Air Center as the best FBO for service and price that I have stopped at in the last five years. Very professional and courteous personal service.

From Cary G. on StarPort (KSFB)

Stopped in at StarPort and could not have been more pleased with the service. Friendly staff and nice facilities with no handling fees or minimum fuel purchase. Down-to-earth business reminiscent of what FBOs were like in the good ole days of general aviation. Keep up the good work!

From Scott T. on Tunica Air Center (KUTA)

Second trip to Tunica, excellent experience on both trips. CSR and Line Crew were waiting on us and literally rolled out the red carpet. Helped with bags and had car ready to give us a ride to hotel. Same level of service on departure. GREAT FBO. They'll take care of you.
