Value

Our network of PAG locations guarantee a quality facility and outstanding service at a competitive price.

Quality

The PAG can guarantee a first-class operation through comprehensive audits and core standards that each FBO is required to meet before joining the group.

PARAGON NETWORK CUSTOMER REVIEWS

From Theodore Wright on Clay Lacy Aviation (KVNY)

This is a great FBO. I flew 1TW in a couple times recently, they had the rental car sitting on the ramp waiting for me, immediately got on our fuel order, and made sure we had water and cookies! They know Learjets very well (Clay Lacy was the first dealer and a friend of Bill Lear!) and have taken care of the occasional issue that has popped up right away. I highly recommend KVNY when visiting the area, and definitely Clay Lacy FBO!

From Mike Sommars on Premier Jet Center (KFCM)

First class service...They definitely rate Five Stars for service!

From Joseph Cumbey on Texas Jet (KFTW)

I can't say enough good things about Texas Jet. These guys at FTW are the best. Even though I fly a little PA-28, they always treat me and friends I fly with like gold. Highly recommended.

From Theodore Wright on Henriksen Jet Cent (KEDC)

My wife and I stopped here recently for nachos at my favorite Tex-Mex restaurant and as always, the staff was great in making sure we had a courtesy car and plane full of reasonably priced Jet-A when we got back. Lineman Paul was especially friendly and knowledgeable. This is THE FBO to use when you are visiting the Austin area, don't even consider anywhere else.

From Dock D. Treece on StarPort (KSFB)

I use Starport whenever I am in Orlando and the service is great. They are always prompt and courteous.
