## San Antonio's Skyplace Center Joins The Elite Paragon Network

The Paragon Network is excited to announce the addition of a new premier member to their elite network of independent FBO's. Skyplace FBO is the newest fixed-based operation in San Antonio, TX conveniently located on the north side of San Antonio International Airport (KSAT). This state-of-the-art facility features 100,000 square feet of hangar space...[learn more](#).

Happy Father's Day to all the fathers out there who have given their children the courage to "take flight." We appreciate everything you do! (Remember, Father's Day is on Sunday, June 16th!)

**Safety**

Uncompromising safety is the most important ingredient in aviation today. Each one of our members are NATA Safety First Certified or has completed equivalent program.

**Service**

Award winning service is undeniable in the Paragon Network. Each member has been rated among the top best

Van Nuys Airport (KVNY) in the Los Angeles metro area is an official point of entry for international flights arriving into the United States. This is why the decision was made to bring customs back to the airport after a 14 year absence. Services opened on Thursday, May 21st. Clay Lacy Aviation has posted the instructions for US customs on their website. [Click here for more information.](#)

**Odyssey Aviation Opens New  
San Salvador (MYSM) Location**

FBOs in North America.

**Reliability**

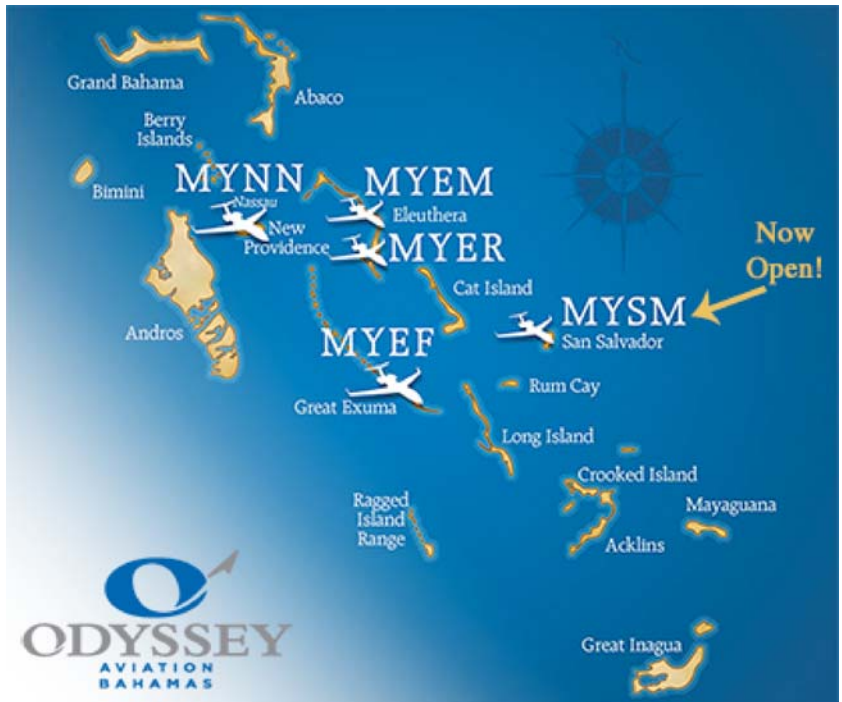

This group of FBOs are the most consistent and dependable operators in North America.

**Value**

Our network of PAG locations guarantee a quality facility and outstanding service at a competitive price.

**Quality**

The PAG can guarantee a first-class operation through comprehensive audits and core standards that each FBO is required to meet before joining the group.

San Salvador, The Bahamas (May 18, 2015) - Odyssey Aviation, the largest and most trusted provider of general aviation services throughout The Bahamas, announced the establishment of operations at the San Salvador International Airport (MYSM) also known as Cockburn Town Airport. [Click here to read more.](#)

***The Paragon Network values your feedback.***

**[Click here to take our survey.](#)**

Visit any Paragon Member and take a moment to share your experience with us during the month of June and be entered into our weekly drawing to win a diecast airplane, shirt, or other great prizes! The more locations you visit and provide feedback on, the better your chances to win! Don't forget to include your contact information at the end of the survey so we can notify you if you win.

**Recent Feedback**

★★★★★

**From Anthony Sobczak on Premier Jet Center (KFCM)**

We had a fly-in event in Eden Prairie and Premier Jet Center could not have been better! Our rental car was at our plane before we got out and the line crew took our gear from the plane and put it in the car. All of the staff was so great...I really can't say enough good things about them. Super service and friendly people!

★★★★★

**From Don Cothran on Henriksen Jet Center (KTME)**

Did I mention the split level media room with eight giant recliners and a screen that has to be 80" at least and some of the lowest priced 100LL in all Houston?

★★★★★

**From Richard Harrison on Premier Jet Center (KFCM)**

Premier Jet provided great and professional service on a recent trip into KFCM. Brandy at the front desk got me a car and a discounted hotel room with great efficiency. The line guys were great. They provided wonderful support to a recent Cirrus fly-in meeting. I'll be back.

★★★★★

**From Don Ferrario on Skyplace Center (KSAT)**

Friendly people did everything possible to make our stay pleasant. Went there because Briana was nicer on the phone than the fellow I talked to at one of the other FBO's. Rental car was waiting on the ramp, in and out of hangar promptly.

★★★★★

**From Lou on Henriksen Jet Center (KEDC)**

Very professional and courteous staff, plenty of cold water in the summer and great selection of hot coffee/chocolate in the winter. Simply a great FBO.

★★★★★

**From Ed Cole on Skyplace Center (KSAT)**

Flew into KSAT yesterday to pick up family members in my Twin Commander. We parked at Skyplace and, once again, was impressed with their professionalism, friendliness, and facilities. Highly recommend Skyplace if you land in San Antonio!!

★★★★★

**From Jean Morin on Odyssey Aviation Nassau (MYNN)**

I flew from MYLS to MYNN twice in the last two weeks to pick up my children and to bring them back to Nassau. Odyssey provided a shuttle for them to and from the main terminal at no cost and treated us like VIPs. Although we fly a 182 (not a Lear) and only bought 30 gallons each time to keep the weight in check, we received impeccable service. Many thanks to the entire team at Odyssey.

★★★★★

**From Steve Kiper on Legacy Jet Center (KTUL)**

Awesome! Great service, facilities and people!!
