CUSTOMER REVIEWS**

★★★★★
From Gordon Feingold on Ideal Aviation (KCPS)
Very helpful and professional line crew and CSR's. They ensured my airplane had minimal exposure to the cold after pullout from their heated hangar, and their electric GPU worked great with my Eclipse.

The PAG can guarantee a first-class operation through comprehensive audits and core standards that each FBO is required to meet before joining the group.

★★★★★

From Mark Sulimirski on Yelvington Jet Aviation (KDAB)

We flew in for the Rolex 24hr Race. Excellent and friendly service with reasonable prices.

★★★★★

From Don Ferrario on Premier Jet Center (KFCM)

Competitive fuel price, pretty girls behind the counter, and a great pancake place for breakfast. Thank you from N77TZ.

★★★★★

From Matt Long on Texas Jet (KFTW)

What an absolutely amazing breath of fresh air! We were ferrying 2 172's to southern Texas from Chicago, and were treated like royalty. Called ahead about 30 minutes out in the air for our midnight arrival. Lineman Rand had a crew car warmed up and running on the ramp for us to go get some chow, and when we returned, gave us a tour of the facility so we could get a few hour shut eye before starting our last leg at 530 am. He was efficient and knowledgeable. Fuel is a bit more expensive, but for this level of service (and no ramp fees) it's not a problem. For the kind of service we got, you would have thought we arrived in Gulfstreams. 24-hour tower is nice too. I will make it a point to use Texas Jet whenever I'm in the area from now on. Thanks!

★★★★★

From Charles Kim on Lux Air Jet Centers (KGYR)

Flew in to go camping at Organ Pipe in the south, parked my Mooney from Thursday to Sunday, every person I interacted with was courteous and helpful. I bought fuel and was not charged parking. When Enterprise rent a car came to pick me up, Lux directed them directly to my plane where I was unloading bags. After leaving my rental car, they checked it again and found my keys before I left. When you don't have to ask and they just do it because that's what "makes sense", you know they've got a good team! Thanks again Lux, I will definitely be back!

★★★★★

From Shari Meyer on Fontainebleau Aviation (KOPF)

I had the opportunity to use Fontainebleau Aviation last month while headed to the Bahamas. We stopped for fuel and were taken care of quickly and professionally. We normally use KFXE for Customs on our returns from the Bahamas but decided to use KOPF as Fontainebleau said they would meet us as Customs and fuels up there. Sure enough, they were waiting for us as we taxied up to Customs! Once the aircraft was cleared by Customs they quickly fueled and we were on our way. No doubt about it, we will be using Fontainebleau on all our future Florida stops.

★★★★★

From Cedric Gitchenko on Odyssey Aviation Nassau (MYNN)

Absolutely Top Service. Compared to the other FBO this is another world. They focus on the customer service and also provide you with all services you need. Definitely Number 1 in the Bahamas.
