Only a Few Days Left!

October is National Breast Cancer Awareness month, which is an annual campaign to increase awareness of the disease. Paragon Aviation Group and the Paragon Network FBO Members are doing their part to help raise awareness and donate funds to aide in finding a cure.

Paragon Aviation Group will be making a \$5 donation to the National Breast Cancer Foundation for every online survey completed during the month of October. Show your support, use a Paragon Network FBO on your next trip and tell us about it - That's all it takes!

PARAGON NETWORK CUSTOMER REVIEWS

From William on Yelvington Jet Aviation (KDAB)

I arrived to Yelvington Jet, Daytona Beach, on a charter flight for a customer (I operate a Cirrus SR22) and they delivered excellent service. My passengers were very happy - their sales meeting went well and they enjoyed the nice lobby area and service by the ladies behind the counter. When I arrived their line person guided me to a spot near the lobby entrance and immediately fueled my Cirrus. In order for charter customers to get a great travel experience, I always use fine FBO's (private airplane terminals) that deliver great service and have nice facilities. Yelvington Jet not only has attentive staff but they've invested in their facility. Their pilot lounge was recently renovated and it's beautiful. Plus the lounge has a new Apple Mac which is what I use at home & office. I'll definitely be back and I recommend you visit them.

From Jeff H. on Texas Jet (KFTW)

What can I say about Texas Jet, they are simply an example of what an FBO should be and it all starts with their service. I sometimes get discouraged with the poor service delivered at facilities around the country and start to question if that should be accepted and considered the norm. Then, I visit Fort Worth and I'm invigorated by the gold standard of what an FBO should be. Thanks Texas Jet for helping me believe again!

From Ross E. on Ross Aviation (KCPS)

Flew in here for a weekend in NYC. The facility is very well kept, as you'd expect from a higher end FBO near a big city. The staff was friendly and helpful. I'd certainly visit these guys again.

From Lee Z. on Clay Lacy Aviation (KBFI)

We have been flying into Kenmore but this week had a mechanical issue that I thought could delay us for at least a half day or more. I walked to Clay Lacy on the off chance they could help us. They immediately summoned Emmett Esmond who was familiar with our plane, he dropped everything, came over to Kenmore and in an hour we were on our way. Thanks Emmett. Guess where we will be flying into going forward?

From Britton S. on Platinum Air Center (KJKA)

I ramped here for five nights. Exceptional service from Platinum Air Center. Line crew was attentive and accommodating, front desk was courteous and helpful. I had some special requests and this team made it happen. 5-Stars!

From Wes M. on Ideal Aviation (KCPS)

I've been coming to Ideal for three years at least twice a month, I've had a great experience every time and they are always prompt on fueling and getting me online.

From Patrick M. on Clay Lacy Aviation (KVNY)

When we fly to LA we never go anywhere else but to Clay Lacy. Great service, ready when ordered and very nice facilities and people.

From Chad R. on Platinum Air Center (KJKA)

All the staff was very helpful, friendly and courteous. Rental car was waiting on ramp. Cheap fuel. We will be back.

From Kevin U. on Premier Jet Center (KFCM)

First class service and facility. Could not have been more impressed with staff and service.

From Lisa T. on Aero Air (KHIO)

Went to the air show, they treated us like royalty!

From Andrea L. on Henriksen Jet Center (KTME)

Great staff members! The inside is well maintained and welcoming for both, pilots and passengers. The lounge is like a dream.
