### Summer Getaway: Caribbean

Although temperatures may be cooling in certain parts of the United States, there is still time to extend your summer in the Caribbean. It is also home to three Paragon member FBOs, each offering an elite experience for your next weekend getaway. **Odyssey Aviation** (MYNN and MYEF) and **Pazo's FBO Services** (TJSJ) are ready to help you plan your trip to the attractions below:

#### [Pirates of Nassau Museum](#) (use *Odyssey Aviation MYNN*)

##### **Nassau, Bahamas**

Located in downtown Nassau on the corner of George and Marlborough streets, Pirates of Nassau is a true landmark nestled in three historical buildings. The exhibit which opened in 1998, is a world-class interactive experience that has been called the "best Pirate Exhibit in the World," by Dr. David Cordingly, author of "Under The Black Flag," former head of exhibitions at the Greenwich Maritime Museum, and renowned contemporary authority on pirates.

#### [Paseo de la Princesa](#) (use *Pazo's FBO Services TJSJ*)

##### **San Juan, Puerto Rico**

Paseo de La Princesa was originally built in 1853 and has been faithfully restored to become a great place to walk or people watch. The tree lined promenade provides plenty of shade and you will usually find local street vendors and artisan stalls as you walk along the promenade. Towering above you to your right are the impressive fortification walls of Old San Juan and to your left is San Juan Bay.

#### [Three Sisters Rock](#) (use *Odyssey Aviation MYEF*)

##### **Exuma, Bahamas**

Aside from the unparalleled beauty of Exuma Islands, the area offers a lot of history and fascinating legends, one of which is the story of Three Sisters Rock. Take an aerial tour to view the rocks from above and hear more about the legend. They can also be viewed from the beach or further explored while snorkeling in the crystal-clear waters of the Caribbean.
