PARAGON NETWORK CUSTOMER REVIEWS

★★★★★ The new facility is a knockout! Friendly efficient service.
- Rob S. on Fontainebleau Aviation (KOPF)

★★★★★ Great service! Had a layer of unexpected frost and the line guys helped wipe down the wings. They offered to put the airplane into the hangar to heat it up. Sun came out and finished the melt. Great desk and line personnel!
- Steve M. on Fargo Jet Center (KFAR)

★★★★★ I visit a lot of FBO's when on the road, and Texas Jet is the very best one of all. I don't state this lightly. The line and CSR service is simply exemplary. A crew car for a RON brought out to the airplane in an instant. Sincere smiles, and enough refreshments and snacks to put you over MGW. Great fuel pricing. Worth going out of your way to experience what real service is all about.
- Gordon F. on Texas Jet (KFTW)

★★★★★ We flew into JKA over the New Years holiday and Valentines

weekend. This is a marvelous new FBO. We flew in at night. The Platinum Air center sign is enormous. My pilot was very pleased he could find the FBO in the dark. The line crews are on the ball. Everything we needed was promptly dealt with. The rental car was next to the plane before we got out of the plane. Emily, Kristen, Eric, and several others were very good getting us on our way. Kristen even packed us a snack bag when we left. We fly 150 times a year and have decided this is our favorite FBO.

- M.S. *on Platinum Air Center (KJKA)*

★★★★★ Great service and facility! I could not have asked for more courteous and attentive service. I was with them for five nights. They put the plane in a hangar during a TTS, I had a headset shipped to them and had to stay an extra day due to weather. They took care of everything including the rental car. A perfect FBO when visiting Orlando.

- Terry B. *on StarPort (KSFB)*

★★★★★ We flew into NAS for a long weekend. I called in advance and was asked to provide passport details to facilitate entry procedures. A marshaller guided us right in front of the Odyssey terminal. An Odyssey rep met us as we opened the aircraft door and took us to customs. All forms had been pre-filled. They had noticed that it was my wife's birthday and they had a card for her... We were out of there in 10 minutes. Same excellent service on the way out. Most of the charges were fees (landing fees, immigration fees etc.). Overall, Odyssey offered great value. We will be back.

- Richard R. *on StarPort (KSFB)*
