## Columbus Jet (KTZR) Joins the Paragon Network

# COLUMBUS Jet

### Quality. Convenience. Value.

*Experience the **Fastest** Way to Columbus!*

Columbus Jet at Bolton Field Airport (KTZR) in Columbus, OH is now a member of the Paragon Network!

Columbus Jet is a sister company to Indy Jet at KMQJ, another first-class Paragon Network FBO. Columbus Jet is the fastest choice to downtown Columbus and surrounding business hubs. As a full-service FBO, their expert service team will maintain and care for your aircraft, while their concierge team coordinates your needs on the ground.

#### Second Annual SUCCESS Meeting at Odyssey Aviation (YIP)

Paragon Aviation Group will be hosting their 2nd annual SUCCESS Meeting at Odyssey Aviation in Detroit, MI from June 21st - 23rd. This workshop is for Customer Services Managers, Line Managers, and Sales/Marketing Managers to provide them with a Superior Understanding of Customer Care Excellence, Sales and Service. The workshop provides attendees with the

#### The Paragon Network Holds Fourth Leadership Meeting

In April 2017, Fontainebleau Aviation in Opa-locka (KOPF) was the host location for this meeting in their brand new, state-of-the-art facility. These meetings are coordinated by Paragon corporate specifically for senior management and owners from Paragon member FBOs. They include a comprehensive on-site evaluation with constructive feedback, shared best practices,

opportunity to network, experience another FBO operation, and provide the FBO with feedback following a site evaluation.

**Don't let runway closures at Shannon (EINN) impede your travel plans - use Jet Assist at Belfast International Airport (EGAA) as Your Preferred Tech Stop FBO!**

The Paragon Network's first European FBO member, Jet Assist - Business Jet Centre based at Belfast International Airport/EGAA in North East Ireland is an ideal tech stop destination for North Atlantic flight operations and a suitable fuel stop alternative to Shannon/EINN. See Shannon's (EINN) six month nightly Airport Closure Schedule [here](#).

### Why Choose Jet Assist?

- NATA Safety 1st Certified Line Staff
- Competitive Jet-A1 fuel rates
- Just 20 minutes from downtown Belfast
- Open 24 hours with a CAT IIIB ILS
- No night-time curfews
- No ATC slot requirements
- Multiple runways (largest runway exceeds 9,100 ft)
- Discounted standard handling for all tech stops\*
- Reduced landing fees for all tech stop traffic over 10,000kgs MTOW
- Roll-On Roll-Off aircraft parking stands with short taxi times
- Clear Immigration & Customs at a UK Port of Entry during a tech stop

- Ireland's only In-FBO VIP Security Suite ensuring a smooth transit to your waiting aircraft
- Helicopter friendly
- Complimentary GPU, lav service and potable water\*\*

\* 25% Handling Discount as standard offered for all tech stop customers/Waived handling requires a minimum fuel uplift

\*\* Paragon Network FBO's based aircraft benefit/Minimum fuel uplift required

### Office and Hangar Space Available at Lux Air Jet Centers (Phoenix Metro)

Lux Air Jet Centers (KGYR) opened their brand new \$10M facility in October 2016. They currently have 9,000 sqft of office space and 8,000 sqft of hangar space available in their state-of-the-art facility. This space won't last long - contact them today!

[MORE INFO](#)

The [Paragon Network](#) is a distinguished group of carefully vetted independent FBO's that provide a first-class experience for general aviation travelers across the world. FBO Network Members enjoy increased business through group networking efforts while providing additional benefits to based customers. Each independent fixed base operator joining The Paragon Network goes through a comprehensive audit of their facility and FBO services to ensure the quality of the member base. The Paragon Network is facilitated by Paragon Aviation Group.
