### Silverhawk Aviation (KLNK) Breaks Ground for New Hangar

## National Jets Helps With Hurricane Irma Relief Efforts in Southern Florida

The South Florida Area quickly went from recovery operations after Hurricane Irma to relief support of its island neighbors like St. Martin, Virgin Islands and Puerto Rico when Hurricane Maria hit very shortly after. The amount of support to the Caribbean that private individuals, corporate partners and the US Government through FEMA provided, has been overwhelming.

Over the past two months National Jets, a full service FBO, 135 Charter Operator and 145 Repair Station, has worked hand in hand with many corporate flight departments, airlines and air freight operators in order to make Fort Lauderdale-Hollywood International Airport (KFL) a key location for evacuations before the storms and relief efforts afterwards.

## PARAGON NETWORK CUSTOMER REVIEWS

★★★★★ Great work Jackie, Tricia, Wellington and CSR boss whose name I can't remember. You always do a great job. Been stopping here for years and always feel grateful for the personal professional treatment.

- *Peter S. on Odyssey Aviation Exuma (MYEF)*

★★★★★ Was at Tunica Air Center three days last week for a Stearman Flight formation training clinic. This is a great FBO. They let us use their conference room, handled our rental cars, hangared our Stearmans and the Bonanza that belongs to one of the instructors, and gave us great suggestions for local restaurants. All of the CSR's were very helpful and Tristin did a wonderful job moving our airplanes in and out of the hangar. Stearman Flight is already looking forward to having another formation clinic at Tunica next year.

- *Roy K. on Tunica Air Center (KUTA)*

★★★★★ I have been using Yelvington over 9 years now. I have flown to all 48 states and there is not a finer FBO anywhere. Adam and the crew are fantastic. I'm only flying a P32R but they treat us like we're in a G-V.

- *William C. on Yelvington Jet Aviation (KDAB)*

★★★★★ This FBO is first class! The entire staff provides excellent service. I highly recommend this FBO.

- *Chachere M. on Henriksen Jet Center (KEDC)*

★★★★★ Very friendly FBO with all of the amenities you would need. When we looked at the bill it was a refreshing change from what you see at a Signature or other large FBO who charges fees for just about everything!

- *Steve G. on Fargo Jet Center (KFAR)*

★★★★★ I have made 4 stops at FCM and Premier Jet in the last 2 weeks. They really know what they are doing and know what pilots need. In fact, every person there, inside the lobby or on the line asked me "is there anything we can do to help you?" just in case things changed from the first time they asked. Very nice facility and nice people running the place. Well done.

- *Jim O. on Premier Jet Center (KFCM)*

★★★★★ I had a great experience at Silverhawk. My small plane was met with friendly staff as I arrived for a football game. To my surprise there was a free tailgate style buffet set up and a free shuttle to the game. They were also able to drop us at a nearby hotel. Overall, I would say this experience was top notch.

- *Bryan F. on Silverhawk Aviation (KLNK)*

★★★★★ I had a wonderful experience with this FBO. I flew into KLNK in my Piper Archer and was impressed with the great customer service, prompt and efficient line service, and a very comfortable facility. Courtesy cars are available, downtown hotels offer a free shuttle service, some great downtown restaurants and reasonably priced fuel and no ramp fees make this a great stopover or weekend getaway destination.

- *Mark B. on Silverhawk Aviation (KLNK)*
