## PARAGON NETWORK CUSTOMER REVIEWS

★★★★★ Tire blowout at landing Jan 19, 2018 and could not get off the runway. Goodyear airport management was excellent getting a skate under main wheel and had the airplane on the ramp in 30 minutes. Tim Berger, Lux Air Managing partner got new tire and tube within 15 minutes and contacted Mike Fox from Glendale to install the tire on Saturday. Outstanding service by everyone. I highly recommend this airport, Lux Air and Mike Fox.

★★★★★ Again, an awesome experience at Odyssey at KISM! Sam arranged for a rental car prior to arrival. Line personnel on the line to receive us, rental car ready. Load the car and out the gate - paperwork already completed by Sam. All contacts were completely friendly and professional. Nice facility too. Others could learn from them!  
- *Larry A. on Odyssey Aviation Kissimmee (KISM)*

★★★★★ The ProJet team is always friendly and effective. Special thanks to a line staffer who was leaving work carrying a lot of personal gear, stopped and came over to help me carry my families luggage to the plane. Thanks to him, Nikki and Jamie. Always a pleasure to visit.

- *Mark H. on ProJet Aviation (KJYO)*

★★★★★ What a great place to stop. The desk and line crew are very friendly. I came in with a Mooney and I was treated with professionalism and courtesy. No crazy fee structure for just stopping to have lunch with old friends.

- *Robert M. on Constant Aviation (KSFB)*

★★★★★ Henriksen Jet center at Houston executive is hands down the best FBO I have ever flown into. The staff were extremely accommodating going above and beyond all expectations. Olivia and Charly were very friendly, helpful, and knowledgeable. If you have the chance you should definitely stop by to see this beautiful FBO.

- *Daniel T. on Henriksen Jet Center (KTME)*

★★★★★ Great stop. Betsy went over and above the call of duty to arrange a hard to get rent car on very short notice. Was waiting with the door open when I arrived. The entire stopover was a great experience. Highly recommended.
