PARAGON NETWORK CUSTOMER REVIEWS

★★★★★ A couple of weeks ago, I had an overnight close to DPA. I used their online scheduling system to make a reservation. Worked perfectly. The weather was gloomy when I arrived in late evening. I was met planeside by a courtesy shuttle and whisked directly to my hotel. After my meeting the following day, the plane was topped off as requested and I was out in short order. The alternative, going through ORD or MDW on a commercial flight, would have been miserable. DFC at KDPA is a top notch FBO, an I would award 6 stars if possible.

★★★★★ I hastily made plans to fly into KISM in advance of some WX. I called Odyssey with about 45

minutes notice early one morning. I was met on the ramp with my rental car. The line guys grabbed my bags and loaded the trunk with smiles. The lady at the desk was great. I highly recommend this FBO!

- *Joe G. on Odyssey Aviation Kissimmee (KISM)*

★★★★★ Very friendly and helpful staff. Rental car at front door terminal bldg. with trunk and doors open! Can't thank them enough!

- *Lawrence B. on DuPage Flight Center (KDPA)*

★★★★★ This FBO is first class! The entire staff provides excellent service. I highly recommend this FBO.

- *Chachere M. on Henriksen Jet Center (KEDC)*

★★★★★ Very friendly FBO with all of the amenities you would need. When we looked at the bill it was a refreshing change from what you see at a Signature or other large FBO who charges fees for just about everything!

- *Steve G. on Fargo Jet Center (KFAR)*

★★★★★ I had a great experience at Silverhawk. My small plane was met with friendly staff as I arrived for a football game. To my surprise there was a free tailgate style buffet set up and a free shuttle to the game. They were also able to drop us at a nearby hotel, overall I would say this is experience was top notch.

- *Bryan F. on Silverhawk Aviation (KLNK)*

★★★★★ Was at Tunica Air Center three days last week for a Stearman Flight formation training clinic. This is a great FBO. They let us use their conference room, handled our rental cars, hangared our Stearmans and the Bonanza that belongs to one of the instructors, and gave us great suggestions for local restaurants. All of the CSR's were very helpful and Tristin did a wonderful job moving our airplanes in and out of the hangar. Stearman Flight is already looking forward to having another formation clinic at Tunica next year.

- *Roy K. on Tunica Air Center (KUTA)*
