

Port City Air (KPSM) Joins The Paragon Network™

Port City Air in Portsmouth, New Hampshire, is now an elite member of The Paragon Network™.

Port City Air is a full-service FBO located at Portsmouth International Airport (KPSM) on the New Hampshire seacoast. Their exceptional FBO offers luxury concierge services provided by dedicated representatives. Port City Air has the facilities and equipment to handle any aircraft up to a B747 and A380, as well as all business jets, cargo aircraft and helicopters. They also offer on-site customs, immigration, and maintenance, making this the perfect tech stop when traveling internationally.

“We are delighted to have Port City Air in our network,” stated Megan Barnes, President of Paragon Aviation Group. “Their FBO will be a great addition to our wonderful group of FBOs. Their ability to handle customs, immigration, and maintenance on-site, reinforces the Paragon Network’s ability to support global traffic. We look forward to working with them and are confident that their service level will exceed the expectations of the customers flying in.”

Tactical Towing

The new TMX-TTV. Includes towbar holder, no-slip towbar head pads, wheel chock storage, traffic cone holsters, marshalling wand storage and more! Customize further with our SiPsHitch linear tow force monitor.

Happy 4th of July From The Paragon Network™

Independence Day, a federal holiday in the United States celebrating the adoption of the Declaration of Independence on July 4, 1776. The Declaration of Independence was prepared by a committee of five, including, Thomas Jefferson, Benjamin Franklin, John Adams, Roger Sermon, and Robert Livingston. [Learn more.](#)

A letter written by John Adams to his wife, Abigail, stated that this day “will be the most memorable epoch in the history of America. I am apt to believe that it will be celebrated by succeeding generations as the great anniversary festival. It ought to be commemorated as the day of deliverance, by solemn acts of devotion to God Almighty. It ought to be solemnized with pomp and parade, with shows, games, sports, guns, bells, bonfires, and illuminations from one end of this continent to the other, from this time forward forever more.”

Vote for National Jets (KFLI) and Ross Aviation (KHPN)!

Voting for the CAA Preferred FBO at KFLI and KHPN begins July 1st, 2018 and continues for seven days. We are asking that you give National Jets at Fort Lauderdale International Airport (KFLI) and Ross Aviation at Westchester County Airport (KHPN) the chance to continue to serve you!

Learn more about these two awesome FBOs:

ROSS AVIATION

Wishing you a time of celebration on this special day in American history. Have a safe and memorable 4th of July!

SILVERHAWK
AVIATION

**Silverhawk Aviation at Lincoln Airport
(KLNK) Debuts New Hangar**

Silverhawk Aviation, one of two service

a WYVERN on-site audit and joined the ranks of those in the elite Wingman program. WYVERN Wingman Operators undergo a rigorous process in which their safety performance, flight operations and maintenance operations are scrutinized against industry best practices.

WYVERN uses state-of-the-art technology and hands-on data mining to obtain accurate, real-time data, including training documents, crew currency, insurance levels, maintenance training and aircraft hours and additional relevant information. Thousands of data points are reviewed both manually and within the system every day. WYVERN's approach to safety is unique in the industry since it is the only system available that evaluates both process and compliance.

providers at Nebraska's Lincoln Airport, has completed its newest hangar. The project began last September, and the 30,000 sqft structure, which can accommodate aircraft up to a Falcon 2000, brings them to a total of 80,000 sqft of aircraft storage space.

In addition to their new hangars, Will Zimdars, the facility's Director of FBO Services, announced they are undergoing a interior remodel, investing over \$500,000. Zimdars noted the full-service FBO, which is open 24/7 and has a Part 145 repair station, saw a 22% increase in operations year-over-year in 2017 and has seen an 18% growth YTD.

PARAGON NETWORK CUSTOMER REVIEWS

★★★★★ Fantastic customer service at Yelvington along with affordable fuel prices and nice facilities. Great location away from the busy flight training activity. We arrived on short notice, and the staff drove us to the commercial terminal to pick up our rental car. In the morning, they pulled the plane right up to the door and let us leave the rental car with them. Definitely planning to visit Yelvington again next time we fly into Daytona!

- *Wil B. on Yelvington Jet Aviation (KDAB)*

★★★★★ What a nice place. First time here. The shade area for aircraft is excellent, makes the heat not seem as bad. Also the crew cars are covered as well. Nice! Very friendly to single engine pistons. I'm sure they are nice to the bigger planes too. Surprised no one has mentioned they got a tower recently, see NOTAMs for info as not yet on the charts. I like the place!

- *Bill B. on Henriksen Jet Center (KEDC)*

★★★★★ Quick trip up in the 182 to pick up cargo at the university. Jake met us at the plane with a smile, Nettie got us a new Kia as a courtesy car and we were fueled up and ready to go when we returned. Friendly people and seamless experience. Even ATC is friendly there.

- *Don H. on Silverhawk Aviation (KLNK)*

★★★★★ Any FBO does a pretty good job when a Gulfstream shows up for a \$5,000 top-off. But these guys handled the madness of the Rhode Island Air Show gracefully. Our 4-year-old was sick and needed to get out of the sun and take a nap in the pilot lounge, so the hospitality of the folks here saved the day and enabled him to enjoy the Blue Angels. Our pitiful order of 22 gallons of 100LL for the SR20 won't make a difference to Providence Jet Center, I'm sure, but Providence Jet Center made a difference to us.
- *Philip G. on Providence Jet Center (KOQU)*

★★★★★ Flew in with family in rented Bonanza. We got treated like we pulled up in a Gulfstream! Our rental car was pulled up and had the engine on with A/C cooling. Three linemen helped my family get out and get our bags to the car. Everyone very nice, pleasant and helpful. Thanks!! Great experience for all of us.
- *Eric P. on Henriksen Jet Center (KEDC)*

The Paragon Network™ is a distinguished membership of elite FBO's and international handling agents that provide world-class service to general aviation travelers around the globe. Paragon Aviation Group® performs a comprehensive audit of the facilities and service offered to ensure the quality of the member base before any FBO joins The Paragon Network™.
