Clay Lacy Aviation Becomes First Green Certified Business at Van Nuys Airport

Clay Lacy Aviation announced that the company's Van Nuys Airport headquarters and maintenance facility is now officially certified by The City of Los Angeles as a Green Business and member of the California Green Business Network. This certification signifies that the company is conducting business using strategies aimed at improving employee wellness and productivity, energy savings, water efficiency, resource stewardship and reducing CO2 emissions.

In a formal letter to the company, the City of Los Angeles writes that Clay Lacy "has met the business standards set by the city and the California Green Business Network, which demonstrate that you run your business in a sustainable manner, both in policy and in practice. Thank you for being a leader in sustainability. You are a model for all other businesses in our great city and state."

ExecuJet FBOs First to Achieve IS-BAH Accreditation in Australia

ExecuJet, part of the Luxaviation Group, is celebrating becoming the first operator in Australia to achieve the International Standard for Business Aviation Handling (IS-BAH) Stage I accreditation for both its Sydney and Melbourne FBOs.

The announcement comes a year after the launch of ExecuJet's state-of-the-art Sydney FBO at Sydney Airport, which comprises a VIP guest lounge, private apron and aircraft hangar. ExecuJet's Melbourne FBO at Essendon Airport boasts a dedicated lounge and full support services, ensuring a seamless and discreet process for passengers just ten kilometres from the city of Melbourne.

Ettore Poggi, Group FBO Director, Luxaviation Group, says: "Being the first in Australia to achieve the IS-BAH Stage I accreditation is a significant achievement, and testament to months of hard work by Gary Forster, our Regional FBO Manager, and his teams in Sydney and Melbourne."

Tactical Towing

The new TMX-TTV. Includes towbar holder, no-slip towbar head pads, wheel chock storage, traffic cone holsters, marshalling wand storage and more! Customize further with our SiPsHitch linear tow force monitor.

Henriksen Jet Center (KEDC) is Now Pre-Leasing Hangar Space

New hangar construction is underway at Austin Executive Airport (EDC). Their new hangar will be 250' x 140' and feature 28 foot doors. It will be open at the end of the Summer 2018.

Uniquely positioned as a gateway to Austin, Henriksen Jet Center is the FBO at one of the newest business aviation airports in the country, Austin Executive Airport (KEDC). They are located just 15 minutes from downtown Austin and 8 minutes from the Dell and Samsung Campuses.

The space is leasing fast! Contact Jodie Kaluza at jkaluza@austinexecutiveairport.com for a hangar quote today!

PARAGON NETWORK CUSTOMER REVIEWS

★★★★★ I had never even heard of this FBO before. So glad we stopped in! Cheaper fuel than my home base and the staff was amazing. Excellent customer service. Very GA friendly!!!!
- *Bryan D. on Yelvington Jet Aviation (KDAB)*

★★★★★ Spent a few days in Austin for a conference. Bad weather at GTU sent me here as an alternate and the experience was top notch. Lyft took about 10 minutes for pickup and it was \$30 to the downtown hotels. I highly recommend.
- *Eric B. on Henriksen Jet Center (KEDC)*

★★★★★ Outstanding crew and service....Go here every time I'm at DAL. They always take great care of me no matter how busy they are and the goodies can't be beat.
- *Bryan D. on Business Jet Center (KDAL)*

★★★★★ Excellent service. Vacationing now on Perdido Key and the first greeting is what you remember. High energy and everyone greeted with a smile. Helped me put the cover on my RV even. This FBO should get 6 stars!
- *Tim D. on Platinum Air Center (KJKA)*

★★★★★ This FBO is excellent....Ramp guys were waiting on my arrival with rental car on the ramp. Was there seven days and the girls at the counter could not be more helpful. The "Jersey Boys" couldn't have been more accommodating upon our departure. Have to say, been flying over 40 years now, and without a doubt the friendliest and most efficient FBO I have been in. When in Florida, I will always use Odyssey and my choice over all others. Thanks again.
- *Brad J. on Odyssey Aviation Kissimmee (KISM)*

The Paragon Network[™] is a distinguished group of carefully vetted independent FBO's that provide a first-class experience for general aviation travelers worldwide. FBO Network Members enjoy increased business through group networking efforts while providing additional benefits to based customers.
