**CUSTOMER REVIEWS**

★★★★★ This amazingly generous airline flew LA from Eppley Airfield to Fremont on St Patrick's Eve during the historic flood that had all roads closed & the city cut off from the rest of Nebraska. They added her to the list for a flight even though reservations were no longer "officially" being offered at that time. The friendly receptionist had explained how overwhelming the situation had become & how they wished they could do more, but LA reassured her that even the HOPE that we might be able to fly home to rescue our cats was super awesome. We'd already been separated from them for 3 days due to the roads all flooding, & they both require special attention.

We saw 3 dogs being brought out of the flood on the plane ahead of us, & the owners were so very grateful to Silverhawk that day. They had only praise to offer as they pet their furkids. Our pilot was very accommodating & pleasant. He got a hug when we finally landed. Thank you soooooo much, Silverhawk Aviation!! Our 2 kitties say thanks too. 🐾🐾 A BIG 5 star review for you, seriously!

- *J&LA Geocats on Silverhawk Aviation (KLNK)*

★★★★★ Best cappuccino ever. Tim runs a great operation.

- *James K. on Lux Air Jet Centers (KGYR)*

★★★★★ Totally spoiled... I arrived in the rain last Thursday. Nikki was at the door with a large umbrella, and despite my protests, she followed me around while I unloaded baggage, secured the airplane, etc., making sure not a drop of rain fell on my shoulders! Seriously? The ProJet team defines client service, their actions only surpassed by their smiles! They are consummate professionals! Thank you! Thank you! Thank you!!

- *Bill M. on ProJet Aviation (KJYO)*

★★★★★ I always get great service here. The ladies behind the desk did an exceptional job!

- *Mike H. on Odyssey Aviation Kissimmee (KISM)*

★★★★★ I have been using this FBO since its inception. I come here for large events and pop ins. My experience has always been executive style. Saying that also comes with professional advanced contact that starts with a phone call when I have the time. If I am running behind at least a radio call to the front desk. Single engine operators do tie their planes down. I have been flying for 33 years to many FBO chains and independents, and this operation is a leader.

- *Scott S. on ProJet Aviation (KJYO)*

★★★★★ Hangared my Cirrus for a week in mid-March and was very pleased with the service and cost. Tom, Chelsea, Kelly and crew went out of their way to make my visit one that will definitely be repeated. Thank you!

- *Bill S. on Odyssey Aviation Detroit (KYIP)*

★★★★★ 5-star resort!

- *Aaron D. on The Ohio State University Airport (KOSU)*

★★★★★ Great staff and service!

- *Joslyn K. on Lowcountry Aviation (KRBW)*

★★★★★ The nicest GA facility in the Houston area.

- *Kevin B. on Henriksen Jet Center Houston (KTME)*

★★★★★ Exclusive for VIP and VVIP!

- *Imran A. on ExecuJet Dubai South (OMDW)*
