

## Paragon Aviation Group Holds 4th Annual SUCCESS Meeting in Lincoln, NE

Paragon Aviation Group hosted their 4th annual SUCCESS meeting at Silverhawk Aviation (KLNK) in Lincoln, NE from August 7th - 9th. The workshop included a site review with feedback to the general manager, training on network solutions, shared best practices, breakout sessions, a guest speaker, and a team building activity. In addition, attendees voted for the MVP of the event, which went to Zelda Evans from Odyssey Aviation Bahamas (MYNN).

Attendees were asked to take a quick survey at the end of the meeting and the response was amazing! Dethel Mateo, Marketing Manager at Yelvington Jet Aviation (KDAB), stated, "This meeting helped me build a relationship with my fellow members allowing me to communicate with them as friends."

## PARAGON NETWORK CUSTOMER REVIEWS

★★★★★ As I rarely write reviews, the experience has to be extraordinarily good or bad. In this case, it was fantastic. Port City Air was a great place to stop for fuel/customs/lobster rolls/catering. Great pricing, big hangars, really nice people. Very professional line staff that took great care of our G280 (N1DM) and asked all the right questions. We are going to make PSM our regular return to the USA customs stop.  
- *David M. on Port City Air (KPSM)*

★★★★★ I landed at KLNK at approximately 9 PM last Tuesday evening. I chose Silverhawk mainly because of their Avgas prices, however when my passengers and I arrived, we really saw what the staff could do. From going the extra mile by taking my passenger over to the commercial terminal to get a rental car to their pleasant and helpful attitudes, it was a pleasure to use their services. It is clear that their customers come first. It is the best experience I have ever had with an FBO in my 12 years as a pilot and dozens of encounters with larger airport FBOs. Thank you Silverhawk.  
- *Matt B. on Silverhawk Aviation (KLNK)*

★★★★★ Very helpful and friendly FBO. Was able to use a rental car for local travel, which was very helpful. Reasonable full service fuel prices. Will visit again!  
- *Robert L. on FlightLevel Aviation (KOQU)*

★★★★★ Top notch, went to pick my TBM up after a little maintenance at Avalair (another top notch shop!) and a front had moved through. The wind was 34 gusting 41 kts, and I couldn't find my plane. The line guys had moved it into a hangar, as they didn't like the way it was moving around in the wind. That's what I call service! Way to go guys.  
- *Nigel C. on Henriksen Jet Center Houston (KTME)*

★★★★★ Always the best FBO experience.  
- *Curtis M. on Tunica Air Center (KUTA)*

★★★★★ Great FBO. Flew our Grumman Tiger in to visit the Henry Ford Museum. Kelly arranged a rental car for us, which the lineman brought to the plane after assisting us in the tie down area. Great service and FBO.  
- *Bill D. on Odyssey Aviation Detroit (KYIP)*

★★★★★ Once again we stopped at Odyssey on our annual trip to Michigan and once again they didn't fail to impress. Over the years... Consistently great, friendly and efficient service. Another year of 5 Big Stars!  
- *WD Lewis on Odyssey Aviation Detroit (KYIP)*

★★★★★ Very nice place!  
- *Shane B. on ExecuJet Cambridge (EGSC)*

★★★★★ Great airport!  
- *Daniel P. on Henriksen Jet Center Austin (KEDC)*

★★★★★ Great FBO! Tim, Christina, and the entire crew are focused on the customer having a great experience and tending to their needs. Fuel prices are great as well. If you are looking for modern, clean, secure hangar space, Lux Air has you covered there too. I could not have been happier with how they handled my aircraft.  
- *Ron M. on Lux Air Jet Centers (KGYR)*

★★★★★ Love this FBO! Thanks for taking care of the flight crews ♡  
- *Patty B. on Lux Air Jet Centers (KGYR)*

★★★★★ So friendly and professional! First class all the way!  
- *Kelly N. on Odyssey Aviation Kissimmee (KISM)*

★★★★★ Great place. Great people. Love to be there!  
- *Anonymous on The Ohio State University Airport (KOSU)*

★★★★★ Marco and his staff do a terrific job of handling your aircraft. Always helpful. Their climate controlled hangars are what your plane needs in the low country.  
- *Casey B. on Lowcountry Aviation (KRBW)*

★★★★★ Hats off to the 2nd shift line guys for amazing service. Really helped me out in a pinch and always friendly.  
- *Robert M. on Henriksen Jet Center Houston (KTME)*

★★★★★ Blown away with this airport. I stopped by interested in getting my commercial pilot license and flight training, was received with amazing service, and covered a lot of information with Tom. Signed up for an introductory 1hr flight and couldn't be happier. Can't wait!  
- *Carlos A. on Henriksen Jet Center Houston (KTME)*

★★★★★ Best FBO! I love Clay Lacy...never ever had a issue and for Mr.Clay, he's my legend. Love him!  
- *Kevin G. on Clay Lacy Aviation (KVNY)*

★★★★★ Excellent hospitality and amazing service!  
- *Ehti S. on ExecuJet Dubai South (OMDW)*
