

Save the Children®

Paragon Aviation Group Gives Back for The Holidays

Every year Paragon Aviation Group chooses one charity to make a donation to in lieu of Christmas gifts. This year our charity donation went to sponsoring two children for 2021 through the Save the Children Federation, Inc. Since their founding over 100 years ago, they have changed the lives of over 1 billion children around the world. The sponsorship goes to ensuring the children have proper healthcare, education, nourishment, and support during times of crisis.

It was a very difficult decision to choose only two children from the 100s who are looking for sponsors. We finally decided on these children below who have been waiting the longest for a sponsor.

Lonjezo from Malawi, Africa
10 years old
Waited 857 days for a sponsor

Maira from El Salvador
6 years old
Waited 829 days for a sponsor

We are excited to receive updates on these beautiful children throughout 2021. We will keep everyone posted on how our sponsorship is making a difference in their lives. If you would like to learn more about how you can sponsor a child in need, please visit www.savethechildren.org.

Starting the New Year Off Right

by Megan Barnes

As turbulent as 2020 was, I am ecstatic to say goodbye to this year and start 2021 with new hope, healing and a grateful heart praying that things can only get better

This is the time of year where we self-reflect and set New Year's resolutions that we hope to attain in the coming year. During this time, I often think about the areas I would like to enhance or change in my life. I recently read about a 5 Hobby Rule – find five hobbies you love: one to earn money, one to stay in shape, one to enhance creativity, one to help others/give back, and one to improve your spiritual well-being.

Latest Travel Regulations in Hawaii

On December 14th, 2020, the quarantine restriction was reduced to 10 days. Travelers will not be able to bypass quarantine without negative results PRIOR to arrival.

Negative pre-travel test results must be uploaded to your Safe Travels Hawaii account for airport officials to release you from quarantine. Tests must be taken by an [approved partner](#) no more than 72 hours before the last departure city. Indeterminate/inconclusive or positive results will result in a 10-day quarantine.

All travelers arriving to the Island of Kauai will be placed into a 10-day quarantine, regardless of any pre- or post-travel tests. Kauai's pretesting travel program will not be available until 2021 or until further notice.
