

Paragon Aviation Group Strengthens Commitment to FBO Safety

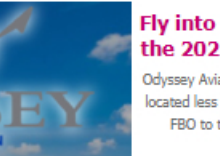

Paragon Aviation Group, an elite group of carefully-vetted FBOs, considers safety one of the most important aspects in the aviation industry. To show their unwavering commitment to safety, Paragon Aviation Group, is funding a safety program to all of their 100 FBOs worldwide for free for the year 2021.

The Online Safety Officer (OSO) Program, spearheaded by aviation consultancy FBO Partners, provides consistent, industry-leading safety communication, training and regulatory compliance through their monthly safety meetings. Regardless of the FBO's size, staffing level or stage of SMS, FBO Partners offers a complete framework for an effective safety promotion and communication program meeting several IS-BAH and SMS requirements.

Paragon Aviation Group Revamps Website with New Design, Features

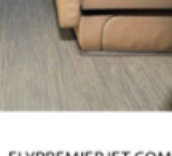

Paragon Aviation Group revamped its website to feature a modern color scheme and design plus improved functionality with interactive maps and streamlined pages. These updates make the newly designed website a more user-friendly and valuable resource for visitors.

Since The Paragon Network has grown to over 100 FBOs in 24 countries, an interactive map helps easily identify all in on the airport location and pinpoints key landmarks and areas of interest nearby. With Paragon's expansive global presence, a language translator via Google Translate was added to accommodate several native languages.

Extend Your Vacation in The Bahamas for up to a Year!

Odyssey Aviation Bahamas enjoyed a busy Presidents' Day weekend and noticed quite a few visitors are staying in The Bahamas longer than the usual three or four days. The other trend in the Bahamas is the interest in real estate, particularly on islands such as Eleuthera and Exuma who have seen an uptick in attention.

The Bahamas Extended Access Travel Stay (BEATS) program is also gaining popularity, allowing you to work and study remotely and choose the island that best suits your needs. BEATS allows you to enjoy the warm weather and explore the many islands of The Bahamas for up to a year! With over 150 million people in the US at or below the freezing point, maybe it's time to sign up for BEATS!
