## Paragon Aviation Group Welcomes MAGNUM FBO to the Network

Paragon Aviation Group continues to expand its European presence with the addition of MAGNUM FBO locations in the capital cities of Vienna, AT (LOWW) and Bratislava, SK (LZIB) along with nine handling locations across Austria and Slovakia.

“We are extremely proud that our customer service commitment has been recognized by Paragon Aviation Group,” stated Florian Samsinger, Managing Director of MAGNUM FBO. “Our common goal is to accelerate brand-new opportunities to deliver the immense services, making sure our customers can experience and appreciate the value of such an advanced upgrade.”

Since 2012, MAGNUM FBO has had an ongoing commitment to serving both passengers and crew with their wide array of support services including customs/immigration assistance, concierge support, slot coordination, and exclusive lounge accommodations.

“As we return back to in-person business transactions and events, we are pleased to have MAGNUM FBO join our network and provide Paragon customers with a new travel region that instills the same core values as our other members worldwide,” said Megan Barnes, President of Paragon Aviation Group. “MAGNUM’s high operating standards and dedication to safety assures travelers a flawless journey no matter which Paragon Network location they visit.”

## Sky Valet Portugal Locations Complete NATA Safety 1st Clean™ Certification Process

Sky Valet's Portugal locations in Lisbon, Faro, Porto, Ponta Delgada, Santa Maria and Cascais recently completed their NATA Safety 1st Clean certification to ensure the safety of their customers and employees.

The Safety 1st Clean standard is produced by the National Air Transportation Association (NATA) Safety Committee to provide general guidance on facility cleaning, disinfecting and facility operations in response to a pandemic. The goal of this standard is to safeguard FBO team members, clients, corporate assets and the general public.

For more information on the NATA Safety 1st Clean standard, please visit [www.nata.aero/safety-1st/clean](http://www.nata.aero/safety-1st/clean).

## Time to Switch to Sustainable Aviation Fuel? Let Clay Lacy Help You Decide.

No longer "a fuel for the future," sustainable aviation fuel (SAF) is increasingly available at airports and FBOs across the United States and around the world. [Click here](#) for a list of locations.

Business jet owners and operators now have a genuine and practical alternative to the fossil-based fuels that have powered aircraft since the Wright brothers at Kitty Hawk. Yet just because sustainable aviation fuel is available, is it the right choice for you and your jet?

Clay Lacy Aviation put together a Q&A of commonly asked questions about SAF to help you better understand the positive environmental and operational benefits sustainable fuel provides.

## Odyssey Aviation Bahamas Facilitates Vaccine Delivery Efforts

Odyssey Aviation Bahamas helped to facilitate the Rhode Island National Guard's (RING) delivery of more than 7,000 COVID-19 vaccines to eight Family Islands, with deliveries again planned for Mayaguana, Acklins Island, Crooked Island, Cat Island, Long Island, Inagua, Bimini, and Eleuthera. This was the second such delivery the RING has made since April through the National Guard's State Partnership Program.

Since 2006, through the U.S. Department of Defense's State Partnership Program, the RING has supported The Bahamas working primarily with Bahamian law enforcement agencies. This week's vaccine delivery mission highlights the ongoing commitment of the U.S. Government in support of the global fight against COVID-19.
