

Who do you wear *pink* for?

Paragon Aviation Group is excited to begin our annual "Fly for a Cure" campaign to raise awareness and money for National Breast Cancer Awareness month this October. Tag Paragon Aviation Group and use the hashtag #FlyForaCure when posting!

To increase awareness and get our network of FBOs involved in this life-changing campaign, Paragon is asking each FBO to share who they wear pink for. Want to participate? scan the QR code to download the sign and tell us who you wear pink for. Take a photo with your sign and for every post, Paragon will make a donation to the National Breast Cancer Foundation.
